Editor's Message

Hello! Welcome to this jam-packed issue! So jam-packed, in fact, that I couldn't even fit Dan S.'s quiz column, but it will return next issue. If you're looking for something to do this month, look no further than the Upcoming Numismatic Event directory on page 2. Interested in becoming a board member? Try page 3! My write up of the CCC's adventures at the ANA's Summer Seminar is on page 4, while our 2026 medal design contest rules can be found on page 5. Finally, please refer to Steve C.'s General (7) and Board (8) Meeting minutes if you missed the last meetings.

I am happy to announce that the *Coin Press* is introducing advertising as a way to support our local dealers as well as the club itself. If you are interested in advertising, please contact me at cupertinocoinclubnewsletter@gmail.com. Rates are \$5 for a business-card sized ad (3.5"x2"), plus a one-time \$5 dollar additional charge if you would like me to design it for you. For more information, please read the advertising policy on page 6 or contact me.

If you received the electronic copy, you were sent a quick, anonymous survey about the *Coin Press* and whether it fits your needs. Please find the time to fill that out. Thank you!

As always, a big thank-you to Dan S., who proofreads the *Coin Press*, provides advice, and is also a columnist.

-Cam S.

Cupertino Coin Club (CCC) will have their general meetings in person at St. Joseph's Church of Cupertino, located at 10110 N De Anza Blvd in Cupertino. Meetings start at 7:30 p.m. unless noted. Meetings feature an auction, show and tell, and drawings plus a speaker or presentation.

Guests and youth are always welcome!

Zoom Schedule for Program Presentations

By Gran G.

Starting with the August meeting, we will begin a Zoom meeting at 8:30 p.m. during our general meetings to cover program presentations. This will give members that could not make it in-person to the meeting the chance to see the program presentation. This change is due to the discontinuation of the unlimited Zoom we previously used. The *Coin Press* will include the link if there is a program presentation scheduled for that month's meeting.

Stay tuned to the newsletter for upcoming presentation topics and Zoom details. The August meeting will feature Art B. presenting "American Women Quarter Design Selection by CCAC."

Dues are Due

Dues were due on April 1, 2025. Dues are only \$12 for adults and \$6 for youth. If you would like the printed newsletter, please add \$15 to your dues payment. To pay your dues, you may either mail your check to the club's PO Box address listed in the masthead or pay by cash or check to Membership Chair Al Lo at a monthly meeting. To pay electronically by PayPal, first email cupertinocoinclub@gmail.com for instructions.

Encourage CCC Young Numismatists!

By the CCC Board

Everyone loves the thrill of discovering a treasured piece at a great price. Our club auctions are a fantastic opportunity for members to find new additions for their collections, and they have long been a cornerstone of the coin club experience.

Since its founding, Cupertino Coin Club has worked to foster interest and growth in the numismatic hobby—especially among young collectors. We have hosted educational programs in local elementary schools, offered the Coin Collecting Merit Badge Workshop for Scouting America, and participated in events like Scout-O-Rama to introduce youth to our shared passion. One of the highlights of our calendar is Youth Night, where the Junior President runs the general meeting and the evening's speaker topic is geared specifically toward younger members. A cherished tradition in our club has been an unspoken agreement: when a youth member bids on an auction item, adult members will usually refrain from bidding against them. When a youth member bids on an auction item, please use discretion when continuing to bid. If a youth member is interested in an item, maybe let them have the chance at winning. This simple gesture recognizes that most young collectors often rely on modest allowances, while adult members typically have more disposable income.

To build on this spirit, we are excited to introduce a new class of auction items. Starting with the July meeting, we ask members submitting items for our monthly auction to consider including a few “youth-only” items—

lots that are reserved exclusively for bidding by junior members. Of course, members are welcome to submit general auction items as well, but we continue to encourage adult members to use discretion in determining if they should yield to youth bids for those youth starting to build their own collections, whenever possible.

Our hope is that this new step will inspire even more participation from our young numismatists, helping them grow their collections, deepen their knowledge, and cultivate a lifelong appreciation for coin collecting.

Thank you for helping us nurture the next generation of collectors!

We Are Seeking a New Board Member!

By Gran G. (President)

The Cupertino Coin Club was saddened by the recent loss of Joe M., a dedicated and valued board member. We are now seeking a dedicated member to join the board and help guide our club into the future.

Are you interested in seeing how the club operates behind the scenes? Would you like to take a more active role in shaping events, meetings, and decisions? Serving on the board is a great way to get involved, contribute your ideas, and connect more deeply with fellow members.

The board meets once a month (usually on the 3rd Thursday of the month) primarily over Zoom, but in-person 3-4 times a year.

Whether you've been a member for years or are relatively new, we welcome your interest! If you're curious or would like to learn more, please reach out to me at grangoza@gmail.com.

CCC at Summer Seminar!

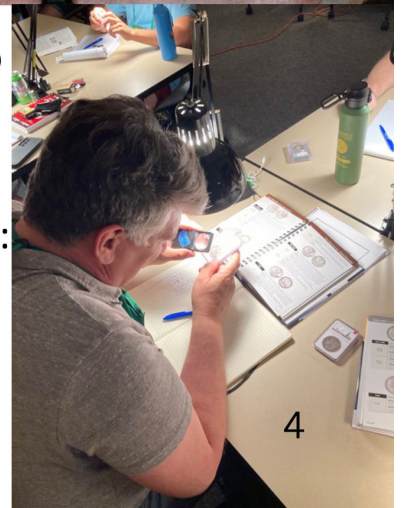

By Cam S.

From June 22–July 2, six CCC members attended the first week of the American Numismatic Association's (ANA) Summer Seminar (below). There, Bryce B. (World Coin Grading, Grading United States Coins, Part 1), Rob B. (World Coin Grading, Grading United States Coins, Part 1), David G. (Advanced United States Coin Grading & Problem Coins), Don P. (Numismatic Digital Photography and Image Editing), Dan S. (Grading United States Coins, Part 1, bottom right image), and I (Coins of the Roman Republic) dived into numismatic topics, with the guidance of expert numismatists.

In our free time, we enjoyed making friends with other numismatists, buying books from the ANA library book sale, and learning about the coins of the Silk Road at the ANA Money Museum. Some other highlights included meeting former "Red Book" editor Ken Bressett (middle right image), attending and working at the annual Young Numismatist benefit auction (top right image), and attending the Summer Seminar banquet, where students and instructors enjoyed delicious food and the company of other numismatists.

Submit Your Medal Design for 2026!

Our August general meeting will feature the medal design contest for our 2026 medal. If you want to submit a design, please read the rules below:

- Members in good standing are eligible (all dues paid and current).
- The design must be on unlined paper in a circle of six to eight inches in diameter.
- The subject matter of your reverse design should be something memorable about Cupertino, cultural significance, or historical in nature. Repeat or similar designs of past medal will not be accepted. Your design may be in the form of a single photo, postcard, or group of drawings in one design. Not all members of our club are artists, so the subject matter may consist of cutout pictures and the like. The better the artwork, the better the design will work with our minter.
- You may submit an explanation of your design.
- You may submit a maximum of two designs.
- The designer's name or initials may not appear on the design or design explanation. Initials will be added after the winning design is selected.
- If your entry is of a private, commercial, trademarked, or copyrighted subject matter, then you must obtain written permission from the rights holder. If permission is not granted, then the runner-up design will be used.
- The following information must be included on the design: "52nd Coin Show" and "St. Joseph of Cupertino Church". Because we don't yet know the date of our 2026 show please insert just the year 2026 into your design. We reserve the right to add the full date of the 2026 show once it has been

decided upon and confirmed with the location.

- All entries may be submitted at a general club meeting or mailed to the club at: CCC Medal Design, P.O. Box 448, Cupertino, CA 95015-0448.
- All entries must be delivered to Medals Chair Emile M. by 8:00 p.m. at our August 8, 2025 meeting or arrive at our club's PO Box by August 1, 2025. The entries will be voted upon by our membership at our August 8, 2025 general meeting.
- In the event of identical design submissions, the first design submitted will be entered in the design contest.
- The winning design becomes the property of the Cupertino Coin Club and will not be returned. All other entries will be returned. The Cupertino Coin Club Board of Directors reserves the right to modify the winning design to meet the requirements of the minting process. Any modifications will be cleared with the designer.
- The winning designer shall receive one copper medal of their design as the winner's prize.

Advertising Policy

Purpose
